Subject: **DEWORMING CAMPAIGN FOR SCHOOL AGE CHILDREN (5-14 YEARS) & / OR (CLASS 1-10) FROM 16th TO 18th MAY 2022**

Please refer to the subject mentioned above and to say that in consultation with Working Group, Planning & Development Department, Health Department and School Education Department, Balochistan has planned Deworming Campaign which is being started from 16th to 18th May 2022 throughout Schools, Madaris, and Community. Simultaneously, deworming medicine will also be available in Government Health Facilities of District Lasbela, Balochistan from 16th to 21st May 2022. Approximately 0.2 million (193,096) school-age children (SAC) aged 5-14 and/or (Class 1-10) will be targeted for Administration of free and safe deworming tablets (Mebendazole 500mg).

Detail of planned towns for deworming campaign May 2022 is given below:

Type of Medicine	Towns	Targets (5-14 years)
Mebendazole 500mg	Hub	84,320
	Dureji	16,152
	Gaddani	6,628
	Sonmiani	19,994
	Lyari	3,474
	Lakhra	10,548
	Uthal	21,940
	Bela	30,040
Total	8	193,096

2. You are directed to make necessary arrangements and activity timeline in accordance with district stakeholders and start planning and preparations for the Deworming Campaign 2022 as scheduled.

Handwritten signature

3. All concerned are required to facilitate the campaign in scheduling and coordination for trainings, community mobilization and sensitization, monitoring and supervision and other related activities to make the campaign successful.
